

## JEC WORLD OFFICIAL STATEMENT - February 13, 2020

Dear Exhibitors and Visitors,

We confirm that the 2020 edition of JEC World will take place as scheduled, 3-5 March 2020, in Paris Nord Villepinte and JEC World team is looking forward to welcome you.

The safety and health of our exhibitors, visitors, partners and staff is our number one priority. Regarding the outbreak of the coronavirus COVID19, JEC Group is carefully following the World Health Organization's (WHO) recommendations, EU and French Health Authorities recommendations and protocols. Up-to-date advice from the WHO on this topic can be found here : <https://www.who.int/emergencies/diseases/novel-coronavirus-2019/>.

Recent statement issued by WHO is available here: [https://www.who.int/news-room/detail/30-01-2020-statement-on-the-second-meeting-of-the-international-health-regulations-\(2005\)-emergency-committee-regarding-the-outbreak-of-novel-coronavirus-\(2019-ncov\)](https://www.who.int/news-room/detail/30-01-2020-statement-on-the-second-meeting-of-the-international-health-regulations-(2005)-emergency-committee-regarding-the-outbreak-of-novel-coronavirus-(2019-ncov)).

We strongly recommend to all participants, Exhibitors, Partners and Visitors, to strictly follow the travelers' advice issued by the French Health Authority (Ministère des Solidarités et de la Santé), if they have travelled to China or have been in China recently. During the 14 days following their arrival in Europe, they should respect the detail of the recommendations presented below in French, English and Chinese. Our Chinese exhibitors will be informed in writing about these recommendations. You can download them using the following link:

[https://solidarites-sante.gouv.fr/IMG/pdf/coronavirus\\_2020\\_flyer\\_aeroport\\_3\\_langues.pdf](https://solidarites-sante.gouv.fr/IMG/pdf/coronavirus_2020_flyer_aeroport_3_langues.pdf).

Should there be any changes to the current status, we will follow and implement all appropriate instructions and recommendations from the World Health Organization, the EU and French Health Authorities.

As a consequence of the restrictions on travel from China prescribed by the authorities, as well as the reduced airline traffic from and to China, it is possible that some exhibitors and visitors from China take the decision to cancel their participation to the event in March or to be represented by their European agents or staff. Therefore, JEC World will be offering a digital platform to those companies unable to participate, allowing them to present their products online and offering to the JEC World visitors the possibility to connect with them. The JEC Group team is expressing its solidarity to the Chinese people and its support to the Composites community in China in this difficult time.

JEC World will adopt additional preventive measures such as:

- Information to participants on personal preventative measures, e.g. personal hygiene, frequency of use of sanitizing/disinfection products, etc.
- Hand sanitizing materials for public use in the entrances and in various areas within the show.
- Doctors and paramedics team on site.

Increased cleaning and disinfection across all high-volume areas such as handrails, toilets and entrances/exits will also be arranged by the Exhibition Centre - Paris Nord Villepinte.

## Nouveau coronavirus (2019 n-CoV)

### INFORMATIONS VOYAGEURS

#### Vous avez séjourné en Chine au cours des 14 derniers jours

##### Pendant 14 jours après votre retour :

- Surveillez votre température 2 fois par jour
- Surveillez l'apparition de symptômes d'infection respiratoire (toux, difficultés à respirer...)
- Portez un masque chirurgical lorsque vous êtes en face d'une autre personne et lorsque vous devez sortir
- Lavez-vous les mains régulièrement ou utilisez une solution hydro-alcoolique
- Évitez tout contact avec les personnes fragiles (femmes enceintes, malades chroniques, personnes âgées...)
- Évitez de fréquenter des lieux où se trouvent des personnes fragiles (hôpitaux, maternités, structures d'hébergement pour personnes âgées...)
- Évitez toute sortie non indispensable (grands rassemblements, restaurants, cinéma...)

##### Si vous devez sortir, portez un masque chirurgical :

- Travailleurs/étudiants : dans la mesure du possible, privilégiez le télétravail et évitez les contacts proches (réunions, ascenseurs, cantine...)
- Les enfants ne doivent pas être envoyés à la crèche ou à l'école, compte tenu de la difficulté à leur faire porter un masque toute la journée.

##### En cas de fièvre ou sensation de fièvre, toux, difficultés à respirer, dans les 14 jours suivant votre retour :

- Contactez rapidement le **SAMU Centre 15** en signalant votre voyage
- Évitez tout contact avec votre entourage, conservez votre masque
- Ne vous rendez pas directement chez le médecin, ni aux urgences de l'hôpital

##### Pour toute question non médicale :

- Plateforme numéro vert : **0800 130 000** (en français – ouvert 7j/7 de 9h à 19h, appel gratuit)
- Questions-réponses en ligne : <https://www.gouvernement.fr/info-coronavirus>

## Novel coronavirus (2019 n-CoV)

### TRAVELLERS' ADVICE (1/2)

#### You travelled to China in the last 14 days

##### During 14 days following your return:

- Monitor your temperature twice a day
- Watch for symptoms reminiscent of a respiratory infection (cough, breathing difficulties)

- Wear a surgical mask when you are face-to-face with someone and if you must go out
- Wash your hands regularly or use a hydroalcoholic solution
- Avoid contacts with at-risk individuals (pregnant women, people with chronic diseases, and elderly people)
- Avoid places with at-risk individuals (retirement homes, hospitals, and maternity hospitals...)
- Reduce non-essential activities (cinema, restaurants, parties...)

## TRAVELLERS' ADVICE (2/2)

### If you must go out, wear a surgical mask:

- Workers/students: if possible, work from home and avoid close contacts (meetings, elevators, cafeteria...)
- Considering it would be difficult to have children wear a surgical mask at all times, they must not be sent to day care or to school

### In case of fever or feverishness, cough, breathing difficulties within 14 days following your return:

- Contact the **SAMU** immediately (French emergency medical services – dial **15**), and mention your history of travel
- Avoid any contact with your relatives, and keep your mask on
- Do not go directly to your GP's or to the hospital

### For any non-medical question:

- Toll free number: **0800 130 000** (in French – open 7 days a week, from 9AM to 19AM)
- Online FAQ: <https://www.gouvernement.fr/info-coronavirus>

## 新型冠状病毒

## 旅客资讯

### 如果您最近14天在中国逗留过

#### 在返法后14天内

- 每天量体温二次
- 注意是否有呼吸问题出现 (咳嗽和呼吸困难的症状)
- 在与人相处时, 走出家门时, 戴上外科医用口罩
- 经常洗手, 或者用酒精溶液洗手
- 避免与老弱病残者接触 (孕妇, 长期病患者, 老年人等)
- 避免老弱病残者出没的场地 (医院, 妇产医院, 老人住宿设施等)
- 避免不必要的活动 (电影院, 饭店, 聚会等)

#### 若您不得已出门, 请戴上外科医用口罩

- 工作者 / 学生 : 尽可能在家远程工作, 尽量避开近距离接触 (会议, 电梯, 食堂等)
- 考虑到整日戴着口罩的困难, 不应将儿童送入托儿所或学校。

#### 若出现发烧, 或者感觉发烧, 咳嗽和呼吸困难的状况

- 尽快拨打**15**急救热线, 并说明旅游情况
- 避免与人接触, 继续戴上口罩
- 请不要自行直接前往私人医生或者医院急诊处就诊

#### 有关非医疗问题, 请拨打

- 免费电话平台: **0800 130 000** (法语-每周7天, 上午9点至下午7点开放, 免费通话)
- 问答资料在线:
